Where it is impractical or impossible for quotes and/or tenders to be obtained from unrelated parties, or where there have not been any similar or substantially similar transactions between LAMBO Group and unrelated third parties, the terms and prices of the transactions for the products or services will be in accordance with the usual business practices of the Group to ensure that the RRPTs is not detrimental to LAMBO Group;

2.7 Statement by Audit and Risk Management Committee

The ARMC has the overall responsibility of determining whether the procedures for reviewing all RRPT(s) are appropriate. The ARMC will review and ascertain at least once a year whether the procedures established to monitor RRPT(s) have been complied with. If it is determined that the procedures stated in Section 2.6 are inadequate to ensure that (i) the RRPT(s) will be conducted at arms' length and on normal commercial terms and (ii) such transactions are not prejudicial to the interest of the shareholders, the Company will obtain a fresh shareholders' mandate based on the new procedures.

The ARMC will also have the discretion to request for limits to be imposed or for additional procedures to be followed if it considers such requests to be appropriate. In that event, such limits or procedures may be implemented without the approval of shareholders, provided that they are more stringent than the existing limits or procedures.

The ARMC will review the existing procedures and processes, on an annual basis and as and when required, to ensure that the RRPT(s) are at all times carried out on commercial terms consistent with LAMBO Group's usual business practices and policies.

The ARMC of the Company has reviewed the procedures and processes set out in Section 2.6 above and is satisfied that the said procedures and processes are sufficient to ensure that the RRPT(s) will be carried out on commercial terms consistent with LAMBO Group's usual business practices and policies and on terms not more favourable to the Related Parties than those generally available to and/or from the public, where applicable, and are not detrimental to the minority shareholders. Any member of the ARMC who is interested in any transaction shall abstain from reviewing and deliberating on such transaction.

The ARMC is of the view that the Group has in place adequate procedures and processes to monitor, track and identify RRPT(s) in a timely and orderly manner, and such procedures and processes are reviewed on an annual basis or whenever the need arises.

2.8 Disclosure of Recurrent Related Party Transactions

Disclosure will be made in the annual report of the Company in accordance with Rule 3.1.5 of Guidance Note 8 of the Listing Requirements, which requires a breakdown of the aggregate value of the RRPT(s) entered into during the financial year based on the following information:

- (a) the type of the RRPT(s) made; and
- (b) the names of the Related Parties involved in each type of the RRPT(s) made and their relationships with LAMBO Group.

The above disclosure will be made in the Company's annual report for each subsequent financial year after the Proposed Shareholders' Mandate has been obtained.

3. RATIONALE FOR THE PROPOSED SHAREHOLDERS' MANDATE

The Proposed Shareholders' Mandate will enable LAMBO Group to carry out RRPT(s) necessary for the Group's day-to-day operations, which are time-sensitive in nature and will eliminate the need to announce and convene separate general meetings (if applicable) from time to time to seek shareholders' mandate for such transaction. This will substantially reduce the expenses, time and other resources associated with the convening of general meetings on an ad hoc basis, improve administrative efficiency and allow financial and manpower resources to be channelled towards attaining other corporate objectives.

The RRPT(s) carried out within LAMBO Group create mutual benefits for the companies in the Group, such as expediency and increased efficiency necessary for day-to-day operations.

In addition, the RRPT(s) are intended to meet the business needs of the Group on the best possible terms. By transacting with the Related Parties, the Group would have an advantage of familiarity with the background and management of the Related Parties, thus enabling more informed commercial decisions to be made. In most dealings with the Related Parties, the Group and the Related Parties have close co-operation and a good understanding of each other's business needs, thus providing a platform where all parties can benefit from conducting the RRPT(s).

4. EFFECTS OF THE PROPOSED SHAREHOLDERS' MANDATE

The Proposed Shareholders' Mandate will not have any material effect on the share capital of the Company as well as the consolidated NA, gearing, EPS and the shareholdings of the Substantial Shareholders of LAMBO.

5. INTEREST OF DIRECTORS, MAJOR SHAREHOLDERS, CHIEF EXECUTIVE AND/OR PERSONS CONNECTED TO THEM

As at LPD, the direct and indirect interests of the Directors, Major Shareholders and/or Chief Executive of LAMBO and/or person connected to them who are interested and/or do not consider themselves independent in the RRPT(s) are as follows:
